

The image displays a web application for managing teams and their members. The interface is divided into three main sections: a sidebar, a main content area, and a right-hand settings panel. The sidebar on the left contains a logo 'G' and several icons representing different functions: a home icon, a clapperboard icon, a folder icon, a bar chart icon, and a group of people icon. The main content area features two tabs, 'TEAMS' and 'MEMBERS', with 'TEAMS' currently selected. Below the tabs, there is a 'BACK TO TEAMS' link and a search bar with the placeholder text 'Type to search for user'. A table lists team members with columns for 'NAME', 'ROLE', 'PERMISSIONS', and 'STATUS'. Each row represents a team member named 'George Persey' with different roles (Moderator, Admin, Custom, Moderator, Custom, Creator, Custom, Owner) and statuses (Active, Inactive, Pending). The right-hand panel, titled 'Team Settings', contains a 'TEAM NAME' field with the value 'Wimbledon' and a 'TEAM PICTURE' section with a circular placeholder and an 'Upload new picture' button. At the bottom of the settings panel is a 'SAVE CHANGES' button with a right-pointing arrow icon.
